UNITED IS THE WAY

United is the Way we
find strength and
share hope.

United Way brings Onslow
County together to face our
greatest challenges, whether
that's helping families find
stability, empowering our youth,
or responding to crises.

UNITED IS THE WAY

We mobilize communities, people and resources to support access to health.

Everyone should be able to make healthy choices for themselves and their families. But there can be lots of barriers in underserved communities.

United Way, with local groups, expands access to nutritious food and quality health care, education, and services.

At United Way, we want all kids to soar. So we work with the people who care for them — from families and neighbors, to schools and community agencies — to connect young people with the support they need.

What You Can Do

Take action and make a difference!

Donate

True to our founding spirit, whenever there is a need in our community, United Way is there. Your generous donation will be directed where it is needed most to help build a future where every person in every community can thrive.

Volunteer

Volunteer with United Way and make a real change in your community. Organizing food drives and mentoring youth are just two ways to help build a more resilient future for all.
